Garden Dreams Urban Farm & Nursery is certified naturally grown & uses organic methods.

2008 Heirloom Plant Starts & More

Here it is again... Happy Spring! Ninety-five (95) tomato varieties this year including the return of some popular favorites. All plants are \$2.75 each which includes tax. Natural & organic gardening supplies do not include tax. Please add 7% tax for these items. Use the enclosed order form to send in your order and payment made payable to Garden Dreams. Some varieties are extremely limited... order early. Plants will be available for pick up at Garden Dreams, in Wilksburg from 9 am to 7 pm on Friday May 2nd through Saturday May 10th. Robert Madden will be joining Garden Dreams this season as a full-time farmer/homesteader. Please email and give us a few days notice as to when you'll be coming to pick up your plants so Bob can be sure to have your tray(s) ready. We'll also be hosting our annual Memorial Day Plant Sale at Garden Dreams in collaboration with other local farmers/growers on Sat May 24th & Sun May 25th from 10 am to 5 pm. Be sure to share copies of our catalog with fellow gardening buddies. Call or email with any questions. Here's to a great season, thanks for your business and **Happy Gardening!!** --Mindy Schwartz

Item No.	Italian & Asian Eggplants	Type (OG = organic seed)	Color	Fruit Size & Shape	Days to Maturity	Type

Contains a complex of over 60 chelated minor elements and bio-growth stimulants for tremendous effect on seed germination, root development and general growth. Encourages resistance to pests, disease, and extreme environmental changes. Mix with liquid fish.	\$8.75
G19	Plant Pro Potting Soil	30 quart bag	A really great organic mix. Mix it 3:1 w/vermiculite to start seeds. Everything's in there... chicken poop, rock phosphate, kelp, greensand and humate. I never need to fertilize my starts!	\$12.00
G20	Re-Vita Pro 5-4-5	50 lb bag	Extra nitrogen and potash in addition to all the trace minerals and the live biological activity provided by the compost blend make this a most awesome all purpose fertilizer.	\$26.25
G22	Sulfate of Potash	5 lb bag	A mined, all natural and concentrated source of potassium, for root development. Also contains 18% sulfur.	\$6.00
G25	Vermiculite	20 qt bag	Use one ½ bag in combination with one bag of potting soil for the perfect mix that provides both good aeration and water retention.	\$12.95
